Implementation and Maintenance

Implementation and Maintenance

ISO 14001

The ISO 14001 certificate guarantees the implementation of an environment management system by HR Groep Traffic & Signing, assuring that environmental impact is being measured and improved.

NEN-EN-ISO 9001:2008

The ISO certificate guarantees the quality policy of HR Groep Traffic & Signing.

CE Standard 12899-1

Applies to permanent vertical signage of HR Groep Traffic & Signing, including the traffic signs and accompanying posts. The CE certificate guarantees that the product meets the regulations which apply within the European Economic Area.

SCC**

'SCC' is the abbreviation for Safety Health and the Environment (SHE) Checklist Contractors. The certificate guarantees that HR Groep Traffic & Signing controls safety, healthy, and environment during activities at the workplace or in the field.
