

WEBINAR SERIES

ROAD SAFETY CHALLENGES IN INDIA AND PREPARATION OF AN ACTION PLAN

on Tuesday, 6th April 2021 at 16:30 – 18:30 hrs (IST)

3rd Webinar on "Safer Roads for Safety of All Road Users"

Speaker : Mr. Greg Smith

Global Programme Director, iRAP

Topic 3 : Development of Standards for Safe & Forgiving Roads including Hill Roads

Greg leads the global programme division of the International Road Assessment Programme (iRAP), a charity dedicated to preventing serious road crashes which are the leading cause of death for young people worldwide.

Greg works closely with governments, multilateral development banks, non-government organisations and industry on road infrastructure safety policy and projects globally, including in the Asia Pacific, European, African, Middle Eastern and Latin American regions.

Greg holds a bachelor degree in civil engineering and masters degree in public policy.
