

WEBINAR SERIES

ROAD SAFETY CHALLENGES IN INDIA AND PREPARATION OF AN ACTION PLAN

Tuesday, 1st June 2021 at 16:30 – 18:45 hrs (IST)

5th Webinar: Engineering Measures & Funding for Road Safety

Mr. Konstantinos Papandreou

CEO & Managing Director,
Olympia Odos Operations SA

Management of Safety in Construction & Maintenance Works

Mr. Konstantinos Papandreou is the Chief Executive Officer of Olympia Odos Operation SA since 2008, the company that has undertaken the operation and maintenance services for the “Elefsina – Korinthos – Patra’ motorway that is currently under construction. In the past, responding to significant challenges he undertook key roles and positions in various Transportation Projects in Greece. For example, he served as Traffic & Maintenance Manager in Attikes Diadromes SA, as Traffic Planning Manager in the Motorway Project of Attiki Odos, he ran the Planning Department of Attiko Metro SA, whereas for many years he worked as independent engineer in the field of transportation.

Konstantinos Papandreou holds a degree in Civil (Transportation Engineering) from the Aristotle University of Thessaloniki (1986), whereas he has also obtained a Master's degree in the field of Transportation from the École Nationale des Ponts et Chaussées, Paris (1989). He is a member of the Technical Chamber of Greece, of the Hellenic Institute of Transportation Engineers, where he served as a member in BoD and General Secretary, and also a member of BoD of HELLASTRON.
