

6th IRF-India Chapter
Webinar
Accident/Crash Data Collection
& Management

Guest Speaker:

Dr. Arun Mohan

Sr. Advocate, Supreme Court of India

Road crash investigation has four parts :

1. Why it occurred – or the cause ?
2. Who all were responsible (allocation) ?
3. How it could have been prevented ?
4. Remedial steps (for future),

together with quick transport to Trauma Centre.

Recognise – do not miss the ‘near-miss’ es.

Finally, Data Analytics at the National Council.
