

WEBINAR SERIES

ROAD SAFETY CHALLENGES IN INDIA AND PREPARATION OF AN ACTION PLAN

9th Webinar on Education & Campaign for Promoting Road Safety

Wednesday 22nd September 2021 at 16:30 – 18:45 hrs (IST)

Moderator :
Dr. Arun Mohan

Senior Advocate, Supreme Court of India

Dr. Arun Mohan is a Senior Advocate practising in New Delhi for over 50 years. After 30 years of trial practice before the Delhi High Court, in 2000, he shifted his focus to lower cost & speedy justice and other social needs and issues. In 2009 he published: Justice Courts and Delays.

In 2014, he published a 714-page work titled : Road Accidents – Prevention, Attention and Compensation

In this, amongst others, he put forward an invention of a US \$ 100 attachment (Stretcher) for use on Auto-Rickshaws and other locally available vehicles as a make-shift ambulance to transport from the accident spot to the Trauma Centre, till sufficient number of proper ambulances were available.

Dr. Arun Mohan has been regularly lecturing at Judicial Academies and also at other fora on a wide variety of issues including Road Safety.
