WEBINAR SERIES

ROAD SAFETY CHALLENGES IN INDIA AND PREPARATION OF AN ACTION PLAN

11th Webinar on Strengthening Emergency Care System along the National Highways / Expressways - A National Priority

On Wednesday, 17th NOVEMBER 2021, 16:30-19:00 hrs (IST)

Dr. Rajendra Prasad, *Senior Neuro & Spine Surgeon, Apollo Hospital*

A senior Neuro and Spin Surgeon, Dr. Rajendra Prasad has over 40 years of experience in UK and India. Dr. Rajendra Prasad is integrally associated in varying capacities with a number of organisations like Indian Head Injury Foundation, Paediatric Brain Injury Society, Apollo Hospitals Educational & Research Foundation, WHO, etc., working for injury prevention, trauma training, disability prevention and neuro rehabilitation. He is passionate about making neuro rehabilitation and assistive technology accessible to people with disabilities and the elderly.

Padmashree Dr. Subroto Das, *EMS Expert*

A Baroda Medical College alumnus, Dr Das has been formally trained in Health Management and Industrial Medicine; he has the broad vision for a unified EMS in the sub-continent for which he has been actively campaigning, making EMS a fundamental right for citizens in India, Sri Lanka, Bangladesh and Nepal. A Padmashree Awardee, Dr. Subroto Das conceptualised the first EMS in the country over large geographical areas taking his work across the sub-continent, for which he has been honoured globally with an Eisenhower Fellowship and the Asian EMS Award for Lifetime Achievement; and he was elected as an Ashoka Fellow in 2004.
