

Dr. Arun Mohan
Senior Advocate
Supreme Court of India

Dr. Arun Mohan is a Senior Advocate practising in New Delhi for over 50 years. After extensive trial practice for 30 years, he shifted his attention to address social issues to ensure speedy justice. Road safety is one of his interest areas. In 2014, he published an exhaustive work titled “Road Accidents – Prevention, Attention and Compensation”. He put forward an invention of a US \$100 stretcher for use on auto rickshaws and other locally available vehicles to serve as make shift ambulance.
