

7th WEBINAR

“Stabilisation in Road Construction – Performance & Economy - Oldest method of pavement quality enhancement still not used routinely; how can this be changed for all future works”

Wednesday 06th November, 2024 at 5:00 pm-6:30 pm

SPEAKER

Dr. Shubham Kalore

*Technical Manager – Roads
Zydex Industries Private Limited*

Dr. Shubham Kalore holds a Ph.D. in Civil Engineering from the Indian Institute of Science (IISc), Bengaluru, and currently working as a Technical Manager at Zydex Industries Pvt. Ltd. His research focuses on advancing pavement engineering through innovative nanotechnology applications, with research interests spanning ground improvement engineering, particularly with a focus on water-related impacts. Dr. Kalore has been recognized with prestigious awards, including the IGS-AIMIL-HCV YGE Award, the Prof. T. S. Nagaraj Memorial Research Award, and the Prime Minister Fellowship for Doctoral Research. He has also received multiple best paper awards at international conferences and has published over ten papers in leading international peer-reviewed journals.
