Sustainable Materials & Circular Economy in Road Construction

Tuesday, 16th Dec 2025 | Time: 5:00 PM to 6:30 PM

Mr. Dhruv Rathi
Director
Shri Rathi Steel Group
Guest Speaker

Dhruv Rathi is a third-generation Director at the Rathi Steel Group and leads 7 STAR ADVANCED, a frontrunner in India's GFRP (Glass Fiber Reinforced Polymer) rebars and mesh—offering corrosion-resistant, low-carbon solutions that support sustainable infrastructure development.

An alumnus of The University of Manchester, he has driven global partnerships, such as, with Armastek to bring world-class composite reinforcement technologies to India.

He is the founder of the S•T•A•R Framework and collaborates closely with IITs, government bodies and international institutions to advance corrosion-free, low-carbon construction solutions.
