

INDIA CHAPTER

IRF-IC'S LECTURE SERIES 3.0

Sustainable Materials & Circular Economy in Road Construction

Tuesday, 16th Dec 2025 | Time: 5:00 PM to 6:30 PM

Dr. Ambika Behl
Sr. Principal Scientist
CSIR-CRRI, New Delhi

Guest Speaker

Dr. Behl holds a PhD from IIT Roorkee and has over 20 years of experience in Highway Engineering and Sustainable Pavement Technologies. She specializes in plastics, polymer-modified binders, waste plastic roads, bio-bitumen and pavement recycling with significant impact on India's Highway Sector. She holds four patents and has published extensively in asphalt pavement research. In 2022, she became the first woman to receive the IRC Pt. Jawaharlal Nehru Birth Centenary Award and in 2025 received the "Best Technology Award" for bio-binder development. She is also a recipient of multiple national honors recognizing her contributions to environment-friendly road construction.
