IRF-IC'S LECTURE SERIES 3.0

Sustainable Materials & Circular Economy in Road Construction

Tuesday, 16th Dec 2025 | Time: 5:00 PM to 6:30 PM

Dr. Satish Pandey
Sr. Principal Scientist & Head
CSIR-CRRI, New Delhi

Guest Speaker

Dr. Satish Pandey is Senior Principal Scientist and Head, Flexible Pavement Division at CSIR-CRRI, New Delhi and Professor at Academy of Scientific and Industrial Research. With around 19 years of experience in Transportation and Highway Engineering, he has published 28 research papers and holds 4 patents. He is the inventor of several innovative road construction and maintenance technologies including Steel Slag Road, ECOFIX, REJUPAVE and TERASURFACING. He pioneered the world's first Steel Slag Road and led development of national guidelines on steel slag utilization. Dr. Pandey is a recipient of multiple national and international awards including CSIR Technology Award and Global Slag Personality of the Year.
